INTERVIEW SUMMARY

Mail Stop Issue Fee
 Commissioner for Patents
 Alexandria, VA 22313-1450

Dear Sir:

In a telephonic interview initiated by Examiner Nguyen on July 29, 2008, Examiner Nguyen and Applicant's representative, Jessica H. Kwak, discussed the above-referenced application. In particular, Examiner Nguyen indicated that the application was in condition for allowance, but suggested amending the preamble of independent claim 26 by an Examiner's Amendment to recite "[a] computer-readable storage medium storing instructions," rather than "[a] computer-readable storage medium comprising instructions." Applicant's representative authorized the proposed Examiner's Amendment to change "comprising" in line 1 to "storing" with the understanding that the amendment does not alter the scope of claim 26.

No prior art references were discussed during the telephonic interview, and no exhibits were introduced during the interview.
